Golf Classic

AccessCNY's Golf Classic is a longstanding tradition in Central New York. Play to create more independent lives for people with disabilities.

For 29 years, the Golf Classic has raised money to support people with disabilities, mental health diagnoses and acquired brain injuries in Central New York. Last year, 26 teams raised over $50,000.

This year, the event moves to the exclusive Cavalry Club in Manlius. The private club is in high demand and only hosts a handful of public tournaments each year.
