Access  CNY

AccessCNY is Proud to Honor:  
**Doug Paul**  
 The Shawn Mack Empowerment Award  
 This award is designed to recognize a person with disabilities who has achieved a substantial level of individual independence, financial stability, interpersonal relationships and other types of success.  
 Since his stroke six years ago, Doug has worked hard to regain his lost abilities. His dedication has had big results, as Doug has improved his mobility and speech. He tells his story to speech pathology students, sharing his journey of recovery. Doug is called the "cheerleader" of AccessCNY's clinic as he encourages others.  
 Thank you to our sponsor: 

# AccessToday

AccessCNY's awards dinner celebrates progress, partnership and pioneers in creating inclusion for people of all abilities.

Last year, AccessToday was attended by over 200 community members who feel passionately about recognizing the advances of people of all abilities in Central New York.

We are downtown! Hosted at the OnCenter, we expect this event to continue to grow. Each year, we are joined by amazing advocates in our community.
