AccessCNY welcomes CASA

Court Appointed Special Advocates (CASA) is an AccessCNY program that assigns volunteer advocates to children who have been abused or neglected. Appointed by a family court judge, these trained volunteers work with the important figures in a child's life to advocate for the child's best interests both in and out of the court room. For many children, their CASA volunteer will be the only consistent adult presence in their life.

In January 2019, CASA officially became a program of AccessCNY. As an agency serving individuals with developmental disabilities, acquired brain injuries, and mental health diagnoses, the partnership is a natural one. By becoming a program of AccessCNY, CASA can more easily connect the families they support to AccessCNY programs that can improve the family's well-being. Together, AccessCNY and CASA will continue to move the community forward by providing stability to Onondaga County's most vulnerable children.

Please join AccessCNY, CASA, and our event hosts Allen Griffin and Lawrence Moten in helping move children in our community towards a safe and permanent home.
